

THE COLLEGE

Botanical Laboratory  
38th St. and Woodland Ave.

September 16, 1948

Dear Lederberg:

Thanks for your letter, and I certainly  
enjoyed meeting you.

As to the question you raised — the people  
who are doing the work <sup>are</sup> at the moment, away  
from the laboratory; and I do not feel  
free to pass on the information. I will  
write you again next week.

Sincerely

Dane Goddard
